Civil Action No. 14-CV-10431-RGS

**JOINT STATUS REPORT OF THE PARTIES AFTER HEARING ON REMAND**

On February 2, 2015, the parties filed a Joint Motion to Remand Defendant Board's Decision for Further Consideration ("Motion"). The purpose of the remand was to allow the Board to reconsider Verizon Wireless' application for a special permit in light of a revised design and/or plan for the antenna installation (the "Revised Application") on the terms set out in the Motion. On February 5, 2015, this Court allowed the Motion. As set forth in this Court's Order, the parties were required to report to the Court on or before March 3, 2015, as to the status of the remand proceedings.

The parties report that on February 26, 2015, the Board held a public hearing and voted 5-0 to grant the special permit for the Revised Application with conditions. The parties expect that the Board will file its written decision granting the special permit for the Revised

Application with conditions within 30 days, and that the case will then proceed in accordance with the procedures set forth in paragraphs 7 through 10 of the Motion.
